- (4) Any headings preceding the text of the several articles and sections of this ordinance, and any table of contents or marginal notes appended to copies hereof, shall be solely for convenience of reference and shall not constitute a part of this ordinance, nor shall they affect its meaning, construction or effect; and
- (5) All references herein to "articles," "sections" and other subdivisions or clauses are to the corresponding articles, sections, subdivisions or clauses hereof.

Section 2. Authorization of Bonds. The City is hereby authorized to issue limited tax general obligation refunding bonds (the "Bonds") in an aggregate amount of not to exceed \$4,700,000 for the purpose of providing the funds necessary to refund the Refunded Bonds and pay all or a portion of the costs incidental to the foregoing and to the issuance of the Bonds.

Section 3. Description of Bonds. The Bonds shall be issued in one or more series and may be designated as necessary; shall be dated as of their initial date of delivery; shall be fully registered as to both principal and interest; shall be in the denomination of \$5,000 each, or any integral multiple thereof, provided that no Bond shall represent more than one series or maturity; shall be numbered separately in such manner and with any additional designation as the Bond Registrar deems necessary for purposes of identification and control; and shall bear interest from their date, payable on June 1, 2012, and semiannually thereafter on the first days of each December and June and shall mature on December 1 in the years and principal amounts set forth and approved in the Approved Bid or Bond Purchase Contract, pursuant to Section 12 of this ordinance. The Bonds of any of the series or maturities may be combined and issued as term bonds ("Term Bonds"), subject to mandatory redemption as provided in the Approved Bid or Bond Purchase Contract.

Section 4. Registration, Exchange and Payments.

(a) *Bond Registrar/Bond Register.* The City hereby specifies and adopts the system of registration approved by the Washington State Finance Committee from time to time through the appointment of state fiscal agencies. The City shall cause a bond register to be maintained by the Bond Registrar. So long as any Bonds remain outstanding, the Bond Registrar shall make all necessary provisions to permit the exchange or registration or transfer of Bonds at its principal corporate trust office. The Bond Registrar may be removed at any time at the option of the Designated Representative upon prior notice to the Bond Registrar and a successor Bond Registrar appointed by the Designated Representative. No resignation or removal of the Bond Registrar shall be effective until a successor shall have been appointed and until the successor Bond Registrar shall have accepted the duties of the Bond Registrar hereunder. The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of such Bonds and this ordinance and to carry out all of the Bond Registrar's powers and duties under this ordinance. The Bond Registrar shall be responsible for its representations contained in the Certificate of Authentication of the Bonds.

(b) *Registered Ownership.* The City and the Bond Registrar, each in its discretion, may deem and treat the Registered Owner of each Bond as the absolute owner thereof for all purposes (except as provided in Section 13 of this ordinance), and neither the City nor the Bond Registrar shall be affected by any notice to the contrary. Payment of any such Bond shall be made only as described in Section 4(h) hereof, but such Bond may be transferred as herein provided. All such payments made as described in Section 4(h) shall be valid and shall satisfy and discharge the liability of the City upon such Bond to the extent of the amount or amounts so paid.

(c) *DTC Acceptance/Letters of Representations.* The Bonds initially shall be held in fully immobilized form by DTC acting as depository. To induce DTC to accept the Bonds as eligible for deposit at DTC, the City has executed and delivered to DTC a Blanket Issuer Letter of Representations. Neither the City nor the Bond Registrar will have any responsibility or obligation to DTC participants or the persons for whom they act as nominees (or any successor depository) with respect to the Bonds in respect of the accuracy of any records maintained by DTC (or any successor depository) or any DTC participant, the payment by DTC (or any successor depository) or any DTC participant of any amount in respect of the principal of or interest on Bonds, any notice which is permitted or required to be given to Registered Owners

under this ordinance (except such notices as shall be required to be given by the City to the Bond Registrar or to DTC (or any successor depository)), or any consent given or other action taken by DTC (or any successor depository) as the Registered Owner. For so long as any Bonds are held in fully-immobilized form hereunder, DTC or its successor depository shall be deemed to be the Registered Owner for all purposes hereunder, and all references herein to the Registered Owners shall mean DTC (or any successor depository) or its nominee and shall not mean the owners of any beneficial interest in such Bonds.

If any Bond shall be duly presented for payment and funds have not been duly provided by the City on such applicable date, then interest shall continue to accrue thereafter on the unpaid principal thereof at the rate stated on such Bond until it is paid.

(d) *Use of Depository.*

(1) The Bonds shall be registered initially in the name of "Cede & Co.", as nominee of DTC, with one Bond maturing on each of the series and maturity dates for the Bonds in a denomination corresponding to the total principal therein designated to mature on such date. Registered ownership of such immobilized Bonds, or any portions thereof, may not thereafter be transferred except (A) to any successor of DTC or its nominee, provided that any such successor shall be qualified under any applicable laws to provide the service proposed to be provided by it; (B) to any substitute depository appointed by the Designated Representative pursuant to subsection (2) below or such substitute depository's successor; or (C) to any person as provided in subsection (4) below.

(2) Upon the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository or a determination by the Designated Representative to discontinue the system of book entry transfers through DTC or its successor (or any substitute depository or its successor), the Designated Representative may hereafter appoint a substitute depository. Any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it.

(3) In the case of any transfer pursuant to clause (A) or (B) of subsection (1) above, the Bond Registrar shall, upon receipt of all outstanding Bonds, together with a written request on behalf of the Designated Representative, issue a single new Bond for each series and maturity then outstanding, registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the Designated Representative.

(4) In the event that (A) DTC or its successor (or substitute depository or its successor) resigns from its functions as depository, and no substitute depository can be obtained, or (B) the Designated Representative determines that it is in the best interest of the beneficial owners of the Bonds that such owners be able to obtain such bonds in the form of Bond certificates, the ownership of such Bonds may then be transferred to any person or entity as herein provided, and shall no longer be held in fully-immobilized form. The Designated Representative shall deliver a written request to the Bond Registrar, together with a supply of definitive Bonds, to issue Bonds as herein provided in any authorized denomination. Upon receipt by the Bond Registrar of all then outstanding Bonds together with a written request on behalf of the Designated Representative to the Bond Registrar, new Bonds shall be issued in

the appropriate denominations and registered in the names of such persons as are requested in such written request.

(e) *Registration or Transfer of Ownership or Exchange; Change in Denominations.* The transfer of any Bond may be registered and Bonds may be exchanged, but no transfer of any such Bond shall be valid unless it is surrendered to the Bond Registrar with the assignment form appearing on such Bond duly executed by the Registered Owner or such Registered Owner's duly authorized agent in a manner satisfactory to the Bond Registrar. Upon such surrender, the Bond Registrar shall cancel the surrendered Bond and shall authenticate and deliver, without charge to the Registered Owner or transferee therefor, a new Bond (or Bonds at the option of the new Registered Owner) of the same series, date, maturity and interest rate and for the same aggregate principal amount in any authorized denomination, naming as Registered Owner the person or persons listed as the assignee on the assignment form appearing on the surrendered Bond, in exchange for such surrendered and cancelled Bond. Any Bond may be surrendered to the Bond Registrar and exchanged, without charge, for an equal aggregate principal amount of Bonds of the same series, date, maturity and interest rate, in any authorized denomination. The Bond Registrar shall not be obligated to register the transfer or to exchange any Bond during the 15 days preceding any interest payment or principal payment date any such Bond is to be redeemed.

(f) *Bond Registrar's Ownership of Bonds.* The Bond Registrar may become the Registered Owner of any Bond with the same rights it would have if it were not the Bond Registrar, and to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as member of, or in any other capacity with respect to, any committee formed to protect the right of the Registered Owners of Bonds.

(g) *Registration Covenant.* The City covenants that, until all Bonds have been surrendered and canceled, it will maintain a system for recording the ownership of each Bond that complies with the provisions of Section 149 of the Code.

(h) *Place and Medium of Payment.* Both principal of and interest on the Bonds shall be payable in lawful money of the United States of America. Interest on the Bonds shall be calculated on the basis of a year of 360 days and twelve 30-day months. For so long as all Bonds are in fully immobilized form, payments of principal and interest thereon shall be made as provided in accordance with the operational arrangements of DTC referred to in the Letter of Representations. In the event that the Bonds are no longer in fully immobilized form, interest on the Bonds shall be paid by check or draft mailed to the Registered Owners at the addresses for such Registered Owners appearing on the Bond Register on the fifteenth day of the month preceding the interest payment date, or upon the written request of a Registered Owner of more than \$1,000,000 of Bonds (received by the Bond Registrar at least 15 days prior to the applicable payment date), such payment shall be made by the Bond Registrar by wire transfer to the account within the continental United States designated by the Registered Owner. Principal of the Bonds shall be payable upon presentation and surrender of such Bonds by the Registered Owners at the principal office of the Bond Registrar.

Section 5. Redemption Prior to Maturity and Purchase of Bonds.

(a) *No Optional Redemption.* The Bonds are not subject to optional redemption prior to their stated maturities.

(b) *Mandatory Redemption of Term Bonds, if any.* The Bonds designated as Term Bonds may be called for redemption at any time prior to scheduled maturity under terms approved by the Designated Representative in the Official Notice of Sale, Approved Bid or Bond Purchase Contract pursuant to Section 12 of this ordinance, and the manner of selection of Bonds for redemption shall be as set forth in the Official Notice of Sale or Bond Purchase Contract.

(c) *Purchase of Bonds.* The City reserves the right to purchase any of the Bonds offered to it at any time at a price deemed reasonable by the Designated Representative.

(d) *Effect of Purchase.* To the extent that the City shall have purchased any Term Bonds since the last scheduled mandatory redemption of such Term Bonds, the City may reduce the principal amount of the Term Bonds to be redeemed in like principal amount. Such reduction may be applied in the year specified by the City.

(e) *Notice of Redemption.*

(1) Official Notice. For so long as the Bonds are held in uncertificated form, notice of redemption (which notice may be conditional) shall be given in accordance with the operational arrangements of DTC as then in effect, and neither the City nor the Bond Registrar will provide any notice of redemption to any Beneficial Owners. Thereafter (if the Bonds are no longer held in uncertificated form), notice of redemption shall be given in the manner hereinafter provided. Unless waived by any owner of Bonds to be redeemed, official notice of any such redemption (which redemption may be conditioned by the Bond Registrar on the receipt of sufficient funds for redemption or otherwise) shall be given by the Bond Registrar on behalf of the City by mailing a copy of an official redemption notice by first class mail at least 20 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Register or at such other address as is furnished in writing by such Registered Owner to the Bond Registrar.

All official notices of redemption shall be dated and shall state:

- (A) the redemption date,
- (B) the redemption price,
- (C) if fewer than all outstanding Bonds are to be redeemed, the identification by series and maturity (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,
- (D) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date, and

(E) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal office of the Bond Registrar.

On or prior to any redemption date, the City shall deposit with the Bond Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

(2) Effect of Notice; Bonds Due. If an unconditional notice of redemption has been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Bond Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. All Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

(3) Additional Notice. In addition to the foregoing notice, further notice shall be given by the City as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (A) the CUSIP numbers of all Bonds being redeemed; (B) the date of issue of the Bonds as originally issued; (C) the rate of interest borne by each Bond being redeemed; (D) the series and maturity date of each Bond being redeemed; and (E) any other descriptive information needed to identify accurately the Bonds being redeemed. Each further notice of redemption may be sent at least 25 days before the redemption date to each party entitled to receive notice pursuant to Section 13, and to the Underwriter and with such additional information as the City shall deem appropriate, but such mailings shall not be a condition precedent to the redemption of such Bonds.

(4) Amendment of Notice Provisions. The foregoing notice provisions of this Section 5, including but not limited to the information to be included in redemption notices and the persons designated to receive notices, may be amended by additions, deletions and changes in order to maintain compliance with duly promulgated regulations and recommendations regarding notices of redemption of municipal securities.

As provided in Section 12, the Designated Representative may select some or all of the Refunding Candidates and designate those Refunding Candidates as the "Refunded Bonds" in the Official Notice of Sale or Bond Purchase Contract if and to the extent that the net present value aggregate savings with respect to Refunded Bonds to be realized as a result of the refunding of the Refunded Bonds, after payment of all costs of issuance of the allocable Bonds, is at least equal to 5% of the Refunded Bonds.

(b) *Refunding.* The net proceeds of sale of the Bonds in the dollar amount certified by the City to the Escrow Agent shall be delivered to the Escrow Agent for the purpose of defeasing the Refunded Bonds and paying costs of issuance.

Money received by the Escrow Agent from Bond proceeds and other money provided by the City, shall be used immediately by the Escrow Agent upon receipt thereof in accordance with the terms of the Escrow Agreement to defease the Refunded Bonds as authorized by Ordinance No. 3712 and Ordinance No. 3790. The City shall defease the Refunded Bonds and discharge such obligations by the use of money deposited with the Escrow Agent to purchase certain government obligations, bearing such interest and maturing as to principal and interest in such amounts and at such times which, together with any necessary beginning cash balance, will provide for the payment of each of the following bonds that have been designated as "Refunded Bonds":

(1) interest on the Refunded Bonds coming due on each date on which interest is due and payable, to and including the Call Date; and

(2) the redemption price of the Refunded Bonds (100% of the principal amount thereof) on the Call Date.

Such obligations shall be purchased at a yield not greater than the yield permitted by the Code and regulations relating to acquired obligations in connection with refunding bond issues.

(c) *Appointment of Escrow Agent.* The Council hereby authorizes the Designated Representative at his/her option to solicit proposals for and select a financial institution to act as the escrow agent for the Refunded Bonds (the "Escrow Agent"). The Refunding Bond proceeds designated in the foregoing subsection together with a cash contribution, if any, from the City may be transferred to the Escrow Agent or may be retained by the City in order to implement the refunding plan. A beginning cash balance, if any, and government obligations may be deposited irrevocably with the Escrow Agent, if one is retained, in an amount sufficient to defease the Refunded Bonds. The proceeds of the Refunding Bonds remaining after acquisition of such obligations and provision for the necessary beginning cash balance shall be utilized to pay expenses of the acquisition and safekeeping of such obligations and expenses of the issuance of the Refunding Bonds and/or returned to the City for the payment of such expenses.

(d) *Call For Redemption of the Refunded Bonds.* The City hereby irrevocably sets aside sufficient funds out of the purchase of government obligations from proceeds of the Refunding Bonds to make the payments described in subsection (b) above.

The City hereby irrevocably calls the Refunded Bonds for redemption on the Call Date in accordance with terms of Ordinance No. 3712 and Ordinance No. 3790 authorizing the redemption and retirement of the Refunded Bonds prior to their fixed maturities.

Said defeasance and call for redemption of the Refunded Bonds shall be effective and irrevocable after the final establishment of the escrow account and delivery of the government obligations to the Escrow Agent.

The Escrow Agent is hereby authorized and directed to provide for the giving of notice of the redemption of the Refunded Bonds in accordance with the applicable provisions of Ordinance No. 3712 and Ordinance No. 3790. The Designated Representative of the City is authorized and requested to provide whatever assistance is necessary to accomplish such redemption and the giving of notice therefor. The costs of publication of such notices shall be an expense of the City.

The Escrow Agent is hereby authorized and directed to pay to the bond registrar for the Refunded Bonds, sums sufficient to pay, when due, the payments specified in this section of this ordinance. All such sums shall be paid from the moneys and government obligations deposited with said Escrow Agent pursuant to this section of this ordinance, and the income therefrom and proceeds thereof. All moneys and government obligations deposited with said bank and any income therefrom shall be credited to a refunding account and held, invested (but only at the direction of the Designated Representative) and applied in accordance with the provisions of this ordinance and with the laws of the State of Washington for the benefit of the City and owners of the Refunded Bonds.

The City will take such actions as are found necessary to see that all necessary and proper fees, compensation and expenses of the Escrow Agent for the Refunded Bonds shall be paid when due.

(e) *Escrow Agreement.* The Designated Representative is authorized and directed to execute and deliver to the Escrow Agent an Escrow Deposit Agreement.

The City hereby irrevocably sets aside for and pledges to the payment of the Refunded Bonds the moneys and obligations to be deposited with the Escrow Agent pursuant to the Escrow Agreement to accomplish the plan of refunding and defeasance of the Refunded Bonds set forth herein and in the Escrow Agreement. When all of the Refunded Bonds shall have been redeemed and retired, the City may cause any remaining money to be transferred to the Bond Fund for the purposes set forth above.

Section 9. Tax Covenants.

(a) *Arbitrage Covenant.* The City hereby covenants that it will not make any use of the proceeds of sale of the Bonds or any other funds of the City which may be deemed to be proceeds of such Bonds pursuant to Section 148 of the Code which will cause the Bonds to be "arbitrage bonds" within the meaning of said section and said Regulations. The City will comply with the requirements of Section 148 of the Code (or any successor provision thereof applicable to the Bonds) and the applicable Regulations thereunder throughout the term of the Bonds.

(b) *Private Person Use Limitation for Bonds.* The City covenants that for as long as the Bonds are outstanding, it will not permit:

(1) More than 10% of the Net Proceeds of the Bonds to be used for any Private Person Use; and

(2) More than 10% of the principal or interest payments on the Bonds in a Bond Year to be directly or indirectly: (A) secured by any interest in property used or to be used for any Private Person Use or secured by payments in respect of property used or to be used for any Private Person Use, or (B) derived from payments (whether or not made to the City) in respect of property, or borrowed money, used or to be used for any Private Person Use.

The City further covenants that, if:

(3) More than five percent of the Net Proceeds of the Bonds are to be used for any Private Person Use; and

(4) More than five percent of the principal or interest payments on the Bonds in a Bond Year are (under the terms of this ordinance or any underlying arrangement) directly or indirectly: (A) secured by any interest in property used or to be used for any Private Person Use or secured by payments in respect of property used or to be used for any Private Person Use, or (B) derived from payments (whether or not made to the City) in respect of property, or borrowed money, used or to be used for any Private Person Use, then, (i) any Private Person Use of the projects described in subsection (3) hereof or Private Person Use payments described in subsection (4) hereof that is in excess of the five percent limitations described in such subsections (3) or (4) will be for a Private Person Use that is related to the state or local governmental use of the project financed or refinanced with Bond proceeds, and (ii) any Private Person Use will not exceed the amount of Net Proceeds of the Bonds used for the state or local governmental use portion of the projects to which the Private Person Use of such portion of such project relates. The City further covenants that it will comply with any limitations on the use of the projects by other than state and local governmental users that are necessary, in the opinion of its bond counsel, to comply with the requirements of the Code. The covenants of this section are specified solely to assure compliance with the Code.

(c) *Designation under Section 265(b) of the Code.* The Designated Representative shall be authorized to determine and execute a designation, if applicable, of Bonds under Section 265(b)(3) of the Code for banks, thrift institutions and other financial institutions. The City does not anticipate issuing more than \$10,000,000 in qualified tax-exempt obligations during 2011 (excluding obligations permitted by the Code to be excluded for purposes of the City's qualification as a qualified small issuer).

Section 10. Bond Fund and Provision for Tax Levy Payments. The Designated Representative is hereby authorized and directed to maintain a fund to be used for the payment of debt service on the Bonds, to be designated as the "LTGO Bond Fund" (the "Bond Fund"). No later than the date each payment of principal of and/or interest on the Bonds matures or becomes due and payable, the City shall transmit sufficient funds, from the Bond Fund or from other legally available sources to the Bond Registrar for the payment of such principal and/or interest. Money in the Bond Fund not needed to pay the interest or principal next coming due may temporarily be deposited in legal investments for City funds.

The City hereby irrevocably covenants and agrees for as long as any of the Bonds are outstanding and unpaid that each year it will include in its budget and levy an *ad valorem* tax upon all the property within the City subject to taxation in an amount that will be sufficient,

together with all other revenues and money of the City legally available for such purposes, to pay the principal of and interest on the Bonds as the same shall become due.

The City hereby irrevocably pledges that the annual tax provided for herein to be levied for the payment of such principal and interest shall be within and as a part of the tax levy permitted to cities without a vote of the people, and that a sufficient portion of each annual levy to be levied and collected by the City prior to the full payment of the principal of and interest on the Bonds will be and is hereby irrevocably set aside, pledged and appropriated for the payment of the principal of and interest on the Bonds. The full faith, credit and resources of the City are hereby irrevocably pledged for the annual levy and collection of said taxes and for the prompt payment of the principal of and interest on the Bonds as the same shall become due.

Section 11. Defeasance. In the event that the City, in order to effect the payment, retirement or redemption of any Bond, sets aside in the Bond Fund or in another special account, cash or noncallable Government Obligations, or any combination of cash and/or noncallable Government Obligations, in amounts and maturities which, together with the known earned income therefrom, are sufficient to redeem or pay and retire such Bond in accordance with its terms and to pay when due the interest and redemption premium, if any, thereon, and such cash and/or noncallable Government Obligations are irrevocably set aside and pledged for such purpose, then no further payments need be made into the Bond Fund for the payment of the principal of and interest on such Bond. The owner of a Bond so provided for shall cease to be entitled to any lien, benefit or security of this ordinance except the right to receive payment of principal, premium, if any, and interest from the Bond Fund or such special account, and such Bond shall be deemed to be not outstanding under this ordinance.

The City shall give written notice of defeasance to the owners of all Bonds so provided for and to each party entitled to receive notice in accordance with Section 13 of this ordinance.

Section 12. Sale of Bonds. The Council has been advised that market conditions are fluctuating and, as a result, the most favorable market conditions may occur on a day other than a regular meeting date of the Council. The Council has determined that it would be in the best interest of the City to delegate to the Designated Representative for a limited time the authority to designate the Refunded Bonds by selection from the Refunding Candidates as described in Section 8 of this ordinance and approve the manner of sale, number of series, series designation, final interest rates, aggregate principal amount, principal amounts of each maturity of the Bonds and redemption rights. The Designated Representative is hereby authorized to designate the Refunded Bonds by selection from the Refunding Candidates as described in Section 8 of this ordinance and approve the manner of sale, number of series, series designation, final interest rates, aggregate principal amount, principal maturities and redemption rights for the Bonds in the manner provided hereafter so long as (a) the aggregate principal amount of the Bonds does not exceed \$4,700,000; (b) the true interest cost for the Bonds does not exceed 2.5%; and (c) the net present value aggregate savings with respect to Refunded Bonds to be realized as a result of the refunding of the Refunded Bonds, if Refunding Bonds are issued, after payment of all costs of issuance of the allocable Bonds, is at least equal to 5% of the Refunded Bonds.

In designating the Refunded Bonds and determining the number of series, series designation, final interest rates, aggregate principal amounts, principal maturities and redemption rights, the Designated Representative, in consultation with City staff and the City's financial advisor, shall take into account those factors that, in his/her judgment, will result in the lowest true interest cost on the Bonds to their maturity, including, but not limited to current financial market conditions and current interest rates for obligations comparable in tenor and quality to the Bonds.

Initially, the Designated Representative is hereby authorized to determine whether the Bonds shall be sold by Negotiated Sale or by a Competitive Sale. If the Bonds are sold by Negotiated Sale, the Designated Representative shall select one or more underwriting firms to underwrite the Bonds through a process of soliciting proposals for underwriting. Upon the selection of one or more underwriters, the Designated Representative shall negotiate the terms of sale for the Bonds, including the terms described in this section, in a contract or contracts of sale (the "Bond Purchase Contract"). If the Bonds are sold by Competitive Sale, sealed bids will be received by the Designated Representative or the Competitive Sale will be undertaken by electronic means, in the manner and on such date and time as the Designated Representative hereafter shall determine. The Designated Representative will approve the bid offering to purchase each series of Bonds at the lowest true interest cost to the City at such price as shall be determined at the time of sale by the Designated Representative, plus accrued interest to the date of delivery, on all the terms and conditions set out in the applicable Official Notice of Sale.

All bids submitted for the purchase of the Bonds shall be as set forth in the applicable Official Notice of Sale or otherwise as established by the Designated Representative which will be furnished upon request made to the Designated Representative. The Designated Representative is authorized to request that a good faith deposit be paid by the purchaser submitting the Approved Bid. The City reserves the right to reject any and all bids and to waive any irregularity or informality in any bid.

Subject to the terms and conditions set forth in this Section 12, the Designated Representative is hereby authorized to accept an Approved Bid for each series in a Competitive Sale and/or execute the final form of a Bond Purchase Contract in a Negotiated Sale, upon his/her approval of the final interest rates, maturity dates, aggregate principal amounts, principal maturities and redemption rights set forth therein. Following the sale of the Bonds, the Designated Representative shall provide a report to the Council, describing the final terms of the Bonds approved pursuant to the authority delegated in this section.

The authority granted to the Designated Representative by this Section 12 shall expire 90 days after the date of approval of this ordinance. If a Bond Purchase Contract or Approved Bid for the Bonds has not been executed or accepted within 90 days after the date of final approval of this ordinance, the authorization for the issuance of the Bonds shall be rescinded, and the Bonds shall not be issued nor their sale approved unless such Bonds shall have been re-authorized by ordinance of the Council. The ordinance re-authorizing the issuance and sale of such Bonds may be in the form of a new ordinance repealing this ordinance in whole or in part or may be in the form of an amendatory ordinance approving a bond purchase contract or establishing terms and conditions for the authority delegated under this Section 12.

Upon the passage and approval of this ordinance, the proper officials of the City including the Designated Representative, are authorized and directed to undertake all action necessary for the prompt execution and delivery of the Bonds and further to execute all closing certificates and documents required to effect the closing and delivery of the Bonds in accordance with the terms of the Official Notice of Sale, Approved Bid and/or Bond Purchase Contract.

The Designated Representative is hereby authorized to review and approve on behalf of the City the preliminary and final Official Statements relative to the Bonds with such additions and changes as may be deemed necessary or advisable to them. The Designated Representative is hereby further authorized to deem final the Preliminary Official Statement for the Bonds for purposes of compliance with the Rule.

- Appointment of a successor or additional trustee or the change of name of a trustee, if material.

Solely for purposes of information, and not intending to modify this undertaking, the City advises that no credit enhancement or property secures payment of the Bonds and that there is no trustee for the Bonds.

(d) *Notification Upon Failure to Provide Financial Data.* The City agrees to provide or cause to be provided, in a timely manner to the MSRB notice of its failure to provide the annual financial information described in subsection (b) above on or prior to the date set forth in subsection (b) above.

(f) *Termination/Modification.* The City's obligations to provide annual financial information and notices of material events shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. Any provision of this section shall be null and void if the City (1) obtains an opinion of nationally recognized bond counsel to the effect that the portion of the Rule that requires that provision is invalid, has been repealed retroactively or otherwise does not apply to the Bonds and (2) notifies the MSRB of such opinion and the cancellation of this section.

The City may amend this section with an opinion of nationally recognized bond counsel in accordance with the Rule. In the event of any amendment of this section, the City shall describe such amendment in the next annual report, and shall include a narrative explanation of the reason for the amendment and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the City. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a material event under subsection (c), and (ii) the annual report for the year in which the change is made shall present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

(g) *Bond Owner's Remedies Under This Section.* The right of any bondowner or Beneficial Owner of Bonds to enforce the provisions of this section shall be limited to a right to obtain specific enforcement of the City's obligations under this section, and any failure by the City to comply with the provisions of this undertaking shall not be an event of default with respect to the Bonds. For purposes of this section, "Beneficial Owner" means any person who has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds, including persons holding Bonds through nominees or depositories.

(h) *No Default.* The City is not in default in the performance of its obligations of any prior undertaking for ongoing disclosure with respect to its obligations.

Section 15. Severability. If any one or more of the covenants or agreements provided in this ordinance to be performed on the part of the City shall be declared by any court of competent jurisdiction to be contrary to law, then such covenant or covenants,

agreement or agreements, shall be null and void and shall be deemed separable from the remaining covenants and agreements of this ordinance and shall in no way affect the validity of the other provisions of this ordinance or of the Bonds.

Section 16. Effective Date. This ordinance shall be in force and effect five days from and after its passage by the Kirkland City Council and publication, pursuant to Kirkland Municipal Code 1.08.017.

Passed by a majority vote of the Kirkland City Council in regular, open meeting this 2nd day of August, 2011 and approved by the City Council as required by law.
